

# **NEW Campus School Spirit Store !**

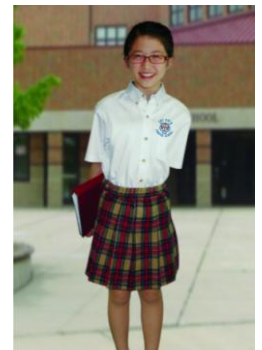

This year the U of M Campus School is excited to offer a new online spirit store. From headbands to polo shirts, you can find lots of great Campus School merchandise online at [www.campusschoolspirit.com](http://www.campusschoolspirit.com).

For your convenience when you go online, you will find a color photo of each item along with a detailed description, color choices and pricing information. Some of the items are shown on this flyer.

You will notice we also have a newly designed school logo that can be embroidered on many items as well as a 2009 short sleeve spirit tee shirt.

The polo shirts, twill shirts and zip jacket DO meet the U of M Campus School dress requirements and can be worn during the school day. The 2009 spirit tee shirt can be worn on Fridays as well as other days that may be specified by the administration.

As the weather gets cooler we will be adding long sleeve items as well as additional gift items that will be perfect for the upcoming holiday season.

Again, go to [www.campusschoolspirit.com](http://www.campusschoolspirit.com) and look at all the fantastic new items!

Go Tigers!
